About Intellia Therapeutics

Intellia Therapeutics is a leading gene editing company, focused on the development of proprietary, potentially curative therapeutics using the CRISPR/Cas9 system. Intellia believes the CRISPR/Cas9 technology has the potential to transform medicine by permanently editing disease-associated genes in the human body with a single treatment course. Our combination of deep scientific expertise and clinical development experience, along with our leading intellectual property portfolio, puts us in a unique position to unlock broad therapeutic applications of the CRISPR/Cas9 technology and create a new class of therapeutic products. Intellia was named as one of the top 10 biotech start-ups by *Nature Biotechnology*. In September 2015, Intellia was named a "Fierce 15" biotech company by *FierceBiotech*.
