Item 1.01. Entry into a Material Definitive Agreement.

On April 28, 2026, Intellia Therapeutics, Inc. (the “Company” or “Intellia”) entered into an underwriting agreement (the “Underwriting Agreement”) with Jefferies LLC, Goldman Sachs & Co. LLC, and Citigroup Global Markets Inc. (the “Underwriters”), related to a public offering (the “Offering”) of 16,744,187 shares of common stock of the Company, par value \$0.0001 per share (the “Common Stock”) at a price to the public of \$10.75 per share. Pursuant to the Underwriting Agreement, the Company granted the Underwriters a 30-day option to purchase up to an additional 2,511,628 shares of its Common Stock at the public offering price, less underwriting discounts and commissions. The Underwriters exercised such option in full on April 29, 2026. The Offering closed on April 30, 2026. All the shares of Common Stock in the Offering were sold by the Company.

The Company estimates that the net proceeds of this Offering, after deducting underwriting discounts and commissions and estimated offering expenses, were approximately \$194.6 million. The Company intends to use the net proceeds from the Offering to advance the clinical development and prepare for the commercial launch of its lead programs, research and develop other pipeline candidates, and potential acquisitions, as well as for working capital and other general corporate purposes.

Based on the Company’s planned use of the net proceeds, the Company believes the net proceeds of the Offering, together with its existing cash, cash equivalents and marketable securities and research and cost reimbursement funding from its collaboration agreements, will enable the Company to fund its ongoing operating expenses and capital expenditure requirements at least into 2028, excluding any potential revenue from product sales after the potential approval of lonvoguran ziclumeran for the treatment of hereditary angioedema anticipated in the first half of 2027, milestone payments or extension fees that could be earned and distributed under the Company’s collaboration agreements, or any strategic use of capital not currently in the base case planning assumptions.

The Company made certain customary representations, warranties and covenants concerning the Company and the registration statement in the Underwriting Agreement and also agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended (the “Securities Act”). The Offering was made pursuant to the Company’s effective shelf registration statement on Form S-3 (File No. 333-275740), including the prospectus dated November 24, 2023, as supplemented by a prospectus supplement dated April 28, 2026. This Current Report on Form 8-K (“Current Report”) does not constitute an offer to sell or the solicitation of an offer to buy any of the shares of Common Stock.

The foregoing description of certain terms of the Underwriting Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Underwriting Agreement, which is attached as Exhibit 1.1 hereto and is incorporated by reference herein. A copy of the opinion of Goodwin Procter LLP, relating to the legality of the shares of Common Stock, is filed as Exhibit 5.1 hereto and is incorporated by reference herein.

Item 2.02. Results of Operations and Financial Condition.

On April 27, 2026, the Company disclosed in a preliminary prospectus supplement related to the Offering that its preliminary unaudited cash, cash equivalents and marketable securities as of March 31, 2026 were approximately \$517.2 million. The Company raised approximately \$33.6 million in net proceeds from the sale of shares of Common Stock under an “at the market” equity offering program during the quarter that ended March 31, 2026.

The preliminary financial data included in this Current Report has been prepared by, and is the responsibility of the Company’s management. Deloitte & Touche LLP, the Company’s independent registered public accounting firm, has not audited or reviewed nor applied agreed-upon procedures with respect to the preliminary financial data. Accordingly, Deloitte & Touche LLP does not express an opinion or any other form of assurance with respect thereto. The Company has not yet completed its quarter-end financial close process for the quarter ended March 31, 2026. This estimate of the Company’s cash, cash equivalents and marketable securities as of March 31, 2026 is preliminary, has not been audited and is subject to change upon completion of its financial statement closing procedures. Additional information and disclosure would be required for a more complete understanding of the Company’s financial position and results of operations as of March 31, 2026.

The information contained in this Current Report under Item 2.02 is being furnished and shall not be deemed to be “filed” for the purposes of Section 18 of the Securities and Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section and will not be incorporated by reference into any filing by the Company under the Securities Act of 1933, as amended, or the Exchange Act, unless specifically identified as being incorporated therein by reference.

References herein to the Registration Statement shall include such new shelf registration statement.

The Firm Securities so to be delivered or evidence of their issuance will be made available for checking at the above office of Latham & Watkins LLP at least 24 hours prior to the First Closing Date.

In addition, upon written notice from the Underwriters given to the Company from time to time not more than 30 days subsequent to the date of the Final Prospectus, the Underwriters may purchase all or less than all of the Optional Securities at the purchase price per Security to be paid for the Firm Securities. Such notice shall set forth (i) the aggregate number of shares of Optional Securities to be sold by the Company as to which the Underwriters are exercising the option and (ii) the time, date and place at which the Optional Securities will be delivered (each time for the delivery of and payment for the Optional Securities being herein referred to as an “**Optional Closing Date,**” which may be the First Closing Date) (the First Closing

Date and each Optional Closing Date, if any, being sometimes referred to as a “**Closing Date**”). The Company agrees to sell to the Underwriters the number of shares of Optional Securities specified in such notice and the Underwriters agree, severally and not jointly, to purchase such Optional Securities. Such Optional Securities shall be purchased from the Company for the account of each Underwriter in the same proportion as the number of Firm Securities set forth opposite such Underwriter’s name bears to the total number of shares of Firm Securities on Schedule A hereto (subject to adjustment by the Underwriters to eliminate fractions). No Optional Securities shall be sold or delivered unless the Firm Securities previously have been, or simultaneously are, sold and delivered. The right to purchase the Optional Securities or any portion thereof may be exercised from time to time and to the extent not previously exercised may be surrendered and terminated at any time upon notice by the Underwriters to the Company.

Each Optional Closing Date shall be determined by the Underwriters but shall be not later than five full business days after written notice of election to purchase Optional Securities is given. The Company will deliver the Optional Securities being purchased by the Underwriters on each Optional Closing Date to or as instructed by the Underwriters for the accounts of the several Underwriters, in a form reasonably acceptable to the Underwriters against payment of the purchase price therefor in Federal (same day) funds by wire transfer to an account at a bank reasonably acceptable to the Underwriters drawn to the order of the Company, at the above office of Latham & Watkins LLP. The certificates for the Optional Securities being purchased on each Optional Closing Date or evidence of their issuance will be made available for checking at the above office of Latham & Watkins LLP at a reasonable time in advance of such Optional Closing Date.

4. *Offering by Underwriters.* It is understood that the several Underwriters propose to offer the Offered Securities for sale to the public as set forth in the Final Prospectus.

5. *Certain Agreements of the Company.* The Company agrees with the several Underwriters that:

(a) *Filing of Prospectuses.* The Company has filed or will file each Statutory Prospectus (including the Final Prospectus) pursuant to and in accordance with Rule 424(b)(2) (or, if applicable and consented to by the Underwriters, Rule 424(b)(5)) not later than 5:30 pm (Eastern time) on the business day immediately preceding the First Closing Date. The Company has complied and will comply with Rule 433.

(b) *Filing of Amendments: Response to Commission Requests.* The Company will promptly advise the Underwriters of any proposal to amend or supplement the Registration Statement or any Statutory Prospectus at any time prior to the later of (i) completion of the distribution of the Offered Securities within the meaning of the Act and (ii) completion of the Lock-Up Period and will not effect such amendment or supplement without the Underwriters’ consent (which consent shall not be unreasonably withheld, conditioned or delayed); and the Company will also advise the Underwriters promptly of (i) the filing of any such amendment or supplement, (ii) any request by the Commission or its staff for any amendment to the Registration Statement, for any supplement to any Statutory Prospectus or for any additional information, (iii) the institution by the Commission of any stop order proceedings in respect of the Registration Statement or the threatening of any proceeding for that purpose, and (iv) the receipt by the Company of any notification with respect to the suspension of the qualification of the Offered Securities in any jurisdiction or the institution or threatening of any proceedings for such purpose. The Company will use its reasonable best efforts to prevent the issuance of any such stop order or the suspension of any such qualification and, if issued, to obtain as soon as possible the withdrawal thereof.

(c) *Continued Compliance with Securities Laws.* If, at any time when a prospectus relating to the Offered Securities is (or but for the exemption in Rule 172 would be) required to be delivered under the Act by any Underwriter or any dealer, any event occurs as a result of which the Final Prospectus as then amended or supplemented would include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it is necessary at any time to amend the Registration Statement or supplement the Final Prospectus to comply with the Act, the Company

will promptly notify the Underwriters of such event and will promptly prepare and file with the Commission and furnish, at its own expense, to the Underwriters and the dealers and any other dealers upon request of the Underwriters, an amendment or supplement which will correct such statement or omission or an amendment which will effect such compliance. Neither the Underwriters' consent to, nor the Underwriters' delivery of, any such amendment or supplement shall constitute a waiver of any of the conditions set forth in Section 7 hereof.

(d) *Testing-the-Waters Communication.* If at any time following the distribution of any Written Testing-the-Waters Communication there occurred or occurs an event or development as a result of which such Written Testing-the-Waters Communication included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at that subsequent time, not misleading, the Company will promptly notify the Underwriters and will promptly amend or supplement, at its own expense, such Written Testing-the-Waters Communication to eliminate or correct such statement or omission.

(e) *Rule 158.* As soon as practicable, but not later than 16 months after the date of this Agreement, the Company will make generally available to its security holders an earnings statement covering a period of at least 12 months beginning after the date of this Agreement and satisfying the provisions of Section 11(a) of the Act and Rule 158 under the Act.

(f) *Furnishing of Prospectuses.* The Company will furnish to the Underwriters copies of the Registration Statement (of which one will include all exhibits), each related Statutory Prospectus, and, so long as a prospectus relating to the Offered Securities is (or but for the exemption in Rule 172 would be) required to be delivered under the Act, the Final Prospectus and all amendments and supplements to such documents, in each case in such quantities as the Underwriters reasonably request. The Final Prospectus shall be so furnished on or prior to 3:00 P.M., Eastern time, on the second business day following the execution and delivery of this Agreement. All other documents shall be so furnished as soon as available. The Company will pay the expenses of printing and distributing to the Underwriters all such documents.

(g) *Blue Sky Qualifications.* The Company will arrange for the qualification of the Offered Securities for sale under the laws of such jurisdictions as the Underwriters designate and will continue such qualifications in effect so long as required for the distribution; provided, however, that the Company shall not be required to qualify or register as a foreign corporation in any jurisdiction in which it is not so qualified, file a general consent to service of process in any such jurisdiction or take any action that would subject it to taxation in any such jurisdiction where it is not then so subject.

(h) *Reporting Requirements.* During the period of two years hereafter, the Company will furnish to the Underwriters and, upon request, to each of the other Underwriters, as soon as practicable after the end of each fiscal year, a copy of its annual report to stockholders for such year; and the Company will furnish to the Underwriters (i) as soon as available, a copy of each report and any definitive proxy statement of the Company filed with the Commission under the Exchange Act or mailed to stockholders, and (ii) from time to time, such other information concerning the Company as the Underwriters may reasonably request. However, so long as the Company is subject to the reporting requirements of either Section 13 or Section 15(d) of the Exchange Act and is timely filing reports with the Commission on its Electronic Data Gathering, Analysis and Retrieval system (or any successor system), it is not required to furnish such reports or statements to the Underwriters.

(i) *Payment of Expenses.* The Company agrees with the Underwriters that the Company will pay all expenses incident to the performance of its obligations under this Agreement, including but not limited to the costs incident to the authorization, issuance, sale, preparation and delivery of the Offered Securities and any taxes payable in that connection, any filing fees and other documented expenses (including reasonable fees and disbursements of counsel to the Underwriters) incurred in connection with qualification of the Offered Securities for sale under the laws of such

jurisdictions as the Underwriters designate and the preparation and printing of memoranda relating thereto (in an amount not to exceed \$10,000 in the aggregate), documented costs and expenses related to the review by FINRA of the Offered Securities including filing fees (and the reasonable fees and expenses of counsel for the Underwriters relating to such review in an amount not to exceed \$35,000 in the aggregate), costs and expenses relating to investor presentations or any “road show” in connection with the offering and sale of the Offered Securities including, without limitation, any travel expenses of the Company’s officers and employees and any other expenses of the Company including the cost of transportation in connection with the road show; provided, that 50% of the cost of any aircraft chartered in connection with the road show shall be the responsibility of the Underwriters (it being understood that the other 50% shall be the responsibility of the Company), fees and expenses incident to listing the Offered Securities on the Nasdaq Global Market and other national and foreign exchanges, fees and expenses in connection with the registration of the Offered Securities under the Exchange Act, and expenses incurred in distributing the Final Prospectus (including any amendments and supplements thereto) to the Underwriters and for expenses incurred for preparing, printing and distributing any Issuer Free Writing Prospectuses to investors or prospective investors. Except as provided in this Section 5(i) and in Section 10, the Underwriters shall pay their own costs and expenses, including the costs and expenses of their counsel.

(j) *Use of Proceeds.* The Company will use the net proceeds received by it in connection with this offering in the manner described in the “Use of Proceeds” section of the General Disclosure Package and the Final Prospectus and, except as disclosed in the General Disclosure Package and the Final Prospectus, the Company does not intend to use any of the proceeds from the sale of the Offered Securities hereunder to repay any outstanding debt owed to any Underwriter or affiliate of any Underwriter.

(k) *Absence of Manipulation.* The Company will not take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in, stabilization or manipulation of the price of any securities of the Company to facilitate the sale or resale of the Offered Securities.

(l) *Restriction on Sale of Securities by Company.* For the period specified below (the “**Lock-Up Period**”), the Company will not, directly or indirectly, take any of the following actions with respect to its Shares or any securities convertible into or exchangeable or exercisable for any of its Shares (“**Lock-Up Securities**”): (i) offer, sell, issue, contract to sell, pledge, make any short sale or otherwise transfer or dispose of Lock-Up Securities, (ii) offer, sell, issue, contract to sell, contract to purchase or grant any option, right or warrant to purchase Lock-Up Securities, (iii) enter into any swap, hedge or any other agreement that transfers, in whole or in part, the economic consequences of ownership of Lock-Up Securities, (iv) establish or increase a put equivalent position or liquidate or decrease a call equivalent position in Lock-Up Securities within the meaning of Section 16 of the Exchange Act or (v) file with the Commission a registration statement under the Act relating to Lock-Up Securities, or publicly disclose the intention to take any such action, without the prior written consent of Jefferies and Goldman Sachs; except the Company may (a) grant employee stock options, restricted shares of common stock or other equity grants pursuant to the terms of a plan in effect on the date hereof or as currently proposed to the Company’s stockholders for approval as disclosed in the General Disclosure Package and the Final Prospectus, (b) issue Lock-Up Securities pursuant to the exercise of such options or equity grants, (c) issue Lock-Up Securities upon the exercise of any other employee stock options outstanding on the date hereof, (d) sell Lock-Up Securities pursuant to this Agreement, (e) file a registration statement on Form S-8 relating to the Lock-Up Securities granted pursuant to the Company’s equity incentive plans existing or as currently proposed to the Company’s stockholders for approval as disclosed in the General Disclosure Package and the Final Prospectus as of the First Closing Date and disclosed in the General Disclosure Package and the Final Prospectus, (f) issue and sell shares of its common stock pursuant to that certain Open Market Sale AgreementSM, dated as of February 23, 2024, entered into by and between the Company and Jefferies LLC, as amended, commencing upon the earlier of (1) such date that is 30 days after the date hereof and (2) any Optional Closing Date, (g) issue Lock-Up Securities or any securities convertible into, or exercisable, or exchangeable for, Lock-Up Securities

in connection with any acquisition or strategic investment (including any joint venture, strategic alliance or partnership); provided, that in the case of clause (g) such issuances, sales or deliveries shall not be greater than 10% of the total outstanding shares of common stock of the Company immediately following the completion of this offering of Offered Securities and, in the cases of clauses (b) and (g), the recipients of such Lock-Up Securities agree to be bound by a lock-up letter in the form executed by directors, officers and shareholders pursuant to Section 7(h) hereof; provided, however, that any issuances of Lock-Up Securities under subsection (f) under the RW Agreement shall not be required to execute or be bound by a lock-up letter. The Lock-Up Period will commence on the date hereof and continue for 60 days after the date hereof or such earlier date that Jefferies and Goldman Sachs consent to in writing.

6. *Free Writing Prospectuses.* The Company represents and agrees that, unless it obtains the prior consent of the Underwriters, and each Underwriter represents and agrees that, unless it obtains the prior consent of the Company, it has not made and will not make any offer relating to the Offered Securities that would constitute an Issuer Free Writing Prospectus, or that would otherwise constitute a “free writing prospectus,” as defined in Rule 405, required to be filed with the Commission. Any such free writing prospectus consented to by the Company and the Underwriters is hereinafter referred to as a “**Permitted Free Writing Prospectus**.” The Company represents that it has treated and agrees that it will treat each Permitted Free Writing Prospectus as an “issuer free writing prospectus,” as defined in Rule 433, and has complied and will comply with the requirements of Rules 164 and 433 applicable to any Permitted Free Writing Prospectus, including timely Commission filing where required, legending and record keeping. The Company represents that it has satisfied and agrees that it will satisfy the conditions in Rule 433 to avoid a requirement to file with the Commission any electronic road show.

7. *Conditions of the Obligations of the Underwriters.* The obligations of the several Underwriters to purchase and pay for the Firm Securities on the First Closing Date and the Optional Securities to be purchased on each Optional Closing Date will be subject to the accuracy of the representations and warranties of the Company herein (as though made on such Closing Date), to the accuracy of the statements of Company officers made pursuant to the provisions hereof, to the performance by the Company of its obligations hereunder and to the following additional conditions precedent:

(a) *Accountants’ Comfort Letter.* The Underwriters shall have received letters, dated, respectively, the date hereof and each Closing Date, of Deloitte & Touche LLP confirming that they are a registered public accounting firm and independent public accountants within the meaning of the Securities Laws and in form and substance satisfactory to the Underwriters (except that, in any letter dated a Closing Date, the specified date referred to in such letter shall be a date no more than three days prior to such Closing Date).

(b) *Filing of Prospectus.* The Final Prospectus shall have been filed with the Commission in accordance with the Rules and Regulations and Section 5(a) hereof. Prior to such Closing Date, no stop order suspending the effectiveness of the Registration Statement or any part thereof shall have been issued and no proceedings for that purpose shall have been instituted or, to the knowledge of the Company or the Underwriters, shall be threatened by the Commission.

(c) *No Material Adverse Change.* Subsequent to the execution and delivery of this Agreement, there shall not have occurred (i) any change, or any development or event involving a prospective change, in the condition (financial or otherwise), results of operations, business, properties or prospects of the Company and its subsidiaries taken as a whole which, in the judgment of the Underwriters, is material and adverse and makes it impractical or inadvisable to market the Offered Securities; (ii) any downgrading in the rating of any debt securities of the Company by any “nationally recognized statistical rating organization” (as defined in Section 3(a)(62) of the Exchange Act), or any public announcement that any such organization has under surveillance or review its rating of any debt securities of the Company (other than an announcement with positive implications of a possible upgrading, and no implication of a possible downgrading, of such rating); (iii) any change in U.S. or international financial, political or economic conditions or currency exchange rates or exchange controls the effect of which is such as to make it, in the judgment of the

Underwriters, impractical to market or to enforce contracts for the sale of the Offered Securities, whether in the primary market or in respect of dealings in the secondary market; (iv) any suspension or material limitation of trading in securities generally on the New York Stock Exchange or the Nasdaq Global Market, or any setting of minimum or maximum prices for trading on such exchange; (v) any suspension of trading of any securities of the Company on any exchange or in the over-the-counter market; (vi) any banking moratorium declared by any U.S. federal or New York authorities; (vii) any major disruption of settlements of securities, payment or clearance services in the United States or any other country where such securities are listed or (viii) any attack on, outbreak or escalation of hostilities or act of terrorism involving the United States, any declaration of war by Congress or any other national or international calamity or emergency if, in the judgment of the Underwriters, the effect of any such attack, outbreak, escalation, act, declaration, calamity or emergency is such as to make it impractical or inadvisable to market the Offered Securities or to enforce contracts for the sale of the Offered Securities.

(d) *Opinion of Counsel for the Company.* The Underwriters shall have received an opinion and negative assurance letter, dated such Closing Date, of Goodwin Procter LLP, counsel for the Company, in form and substance satisfactory to the Underwriters.

(e) *Opinion of IP Counsel for the Company.* The Underwriters shall have received an opinion, dated such Closing Date, of McNeill Baur PLLC, special intellectual property counsel for the Company, in form and substance satisfactory to the Underwriters.

(f) *Opinion of Counsel for Underwriters.* The Underwriters shall have received from Latham & Watkins LLP, counsel for the Underwriters, such opinion or opinions, with respect to such matters as the Underwriters may require, and negative assurance letter, in form and substance reasonably satisfactory to the Underwriters, in each case dated such Closing Date, and the Company shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters.

(g) *Officers' Certificate.* The Underwriters shall have received a certificate, dated such Closing Date, of an executive officer of the Company and a principal financial or accounting officer of the Company in which such officers shall state that: the representations and warranties of the Company in this Agreement are true and correct; the Company has complied with all agreements and satisfied all conditions on its part to be performed or satisfied hereunder at or prior to such Closing Date; no stop order suspending the effectiveness of any Registration Statement has been issued and no proceedings for that purpose have been instituted or, to the best of their knowledge, are threatened by the Commission; and, subsequent to the dates of the most recent financial statements in the General Disclosure Package and the Final Prospectus, there has been no material adverse change, nor any development or event involving a prospective material adverse change, in the condition (financial or otherwise), results of operations, business, properties or prospects of the Company and its subsidiaries taken as a whole except as set forth in the General Disclosure Package and the Final Prospectus or as described in such certificate.

(h) *Lock-Up Agreements.* On or prior to the date hereof, the Underwriters shall have received lock-up letters in the form attached hereto as Exhibit A from each executive officer, director, stockholder and other equity holder of the Company specified in Schedule C to this Agreement.

(i) *Chief Financial Officer's Certificate.* The Underwriters shall have received certificates dated, respectively, the date hereof and each Closing Date, signed by the chief financial officer of the Company, in form and substance satisfactory to the Underwriters.

(j) *Approval of Listing.* On or prior to such Closing Date, the Offered Securities shall have been approved for listing on the Nasdaq Global Market.

The Company will furnish the Underwriters with such conformed copies of such opinions, certificates, letters and documents as the Underwriters reasonably request. The Underwriters may in their sole discretion waive on behalf of the Underwriters compliance with any conditions to the obligations of the Underwriters hereunder, whether in respect of an Optional Closing Date or otherwise.

8. *Indemnification and Contribution.* (a) *Indemnification of Underwriters by Company.* The Company will indemnify and hold harmless each Underwriter, its partners, members, directors, officers, employees, agents, affiliates and each person, if any, who controls such Underwriter within the meaning of Section 15 of the Act or Section 20 of the Exchange Act (each an “**Indemnified Party**”), against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Party may become subject, under the Act, the Exchange Act, other Federal or state statutory law or regulation or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any part of the Registration Statement at any time, any Statutory Prospectus as of any time, the Final Prospectus, the General Disclosure Package, any Issuer Free Writing Prospectus or any Written Testing-the-Waters Communication, or arise out of or are based upon the omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, and will reimburse each Indemnified Party for any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending against any loss, claim, damage, liability, action, litigation, investigation or proceeding whatsoever (whether or not such Indemnified Party is a party thereto), whether threatened or commenced, and in connection with the enforcement of this provision with respect to any of the above as such expenses are incurred; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement in or omission or alleged omission from any of such documents in reliance upon and in conformity with written information furnished to the Company by any Underwriter specifically for use therein, it being understood and agreed that the only such information furnished by the Underwriters consists of the information described as such in subsection (b) below.

(b) *Indemnification of Company.* Each Underwriter will severally and not jointly indemnify and hold harmless the Company, each of its directors and each of its officers who signs a Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act (each, an “**Underwriter Indemnified Party**”) against any losses, claims, damages or liabilities to which such Underwriter Indemnified Party may become subject, under the Act, the Exchange Act, or other Federal or state statutory law or regulation or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any part of any Registration Statement at any time, any Statutory Prospectus as of any time, the Final Prospectus, any Written Testing-the-Waters Communication or any Issuer Free Writing Prospectus or arise out of or are based upon the omission or the alleged omission of a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by such Underwriter specifically for use therein, and will reimburse any legal or other expenses reasonably incurred by such Underwriter Indemnified Party in connection with investigating or defending against any such loss, claim, damage, liability, action, litigation, investigation or proceeding whatsoever (whether or not such Underwriter Indemnified Party is a party thereto), whether threatened or commenced, based upon any such untrue statement or omission, or any such alleged untrue statement or omission as such expenses are incurred, it being understood and agreed that the only such information furnished by such Underwriter consists of the concession and reallowance figures appearing in the fifth paragraph under the caption “Underwriting” in the Final Prospectus furnished on behalf of each Underwriter.

(c) *Actions against Parties; Notification.* Promptly after receipt by an indemnified party under this Section of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party under subsection (a) or (b) above, notify the indemnifying party of the commencement thereof; but the failure to notify the indemnifying party shall not relieve it from any liability that it may have under subsection (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided further that the failure to notify the indemnifying party shall not relieve it from any liability that it may have to an indemnified party otherwise than under subsection (a) or (b) above. In case any such action is brought against any indemnified party and it notifies an indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party under this Section for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement (i) includes an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an indemnified party.

(d) *Contribution.* If the indemnification provided for in this Section is unavailable or insufficient to hold harmless an indemnified party under subsection (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in subsection (a) or (b) above (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the Offered Securities or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this subsection (d). Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Offered Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 8(d) were determined by pro rata allocation or by any other method of allocation (even if the Underwriters were treated as one entity for such purposes) which does not take account of the equitable considerations referred to in this Section 8(d).

9. *Default of Underwriters.* If any Underwriter or Underwriters default in their obligations to purchase Offered Securities hereunder on either the First Closing Date or any Optional Closing Date and the aggregate number of Offered Securities that such defaulting Underwriter or Underwriters agreed but failed to purchase does not exceed 10% of the total number of Offered Securities that the Underwriters are obligated to purchase on such Closing Date, the Underwriters may make arrangements satisfactory to the Company for the purchase of such Offered Securities by other persons, including any of the Underwriters, but if no such arrangements are made by such Closing Date, the non-defaulting Underwriters shall be obligated severally, in proportion to their respective commitments hereunder, to purchase the Offered Securities that such defaulting Underwriters agreed but failed to purchase on such Closing Date. If any Underwriter or Underwriters so default and the aggregate number of Offered Securities with respect to which such default or defaults occur exceeds 10% of the total number of Offered Securities that the Underwriters are obligated to purchase on such Closing Date and arrangements satisfactory to the Underwriters and the Company for the purchase of such Offered Securities by other persons are not made within 48 hours after such default, this Agreement will terminate without liability on the part of any non-defaulting Underwriter or the Company, except as provided in Section 10 (provided that if such default occurs with respect to Optional Securities after the First Closing Date, this Agreement will not terminate as to the Firm Securities or any Optional Securities purchased prior to such termination). As used in this Agreement, the term "Underwriter" includes any person substituted for an Underwriter under this Section. Nothing herein will relieve a defaulting Underwriter from liability for its default.

10. *Survival of Certain Representations and Obligations.* The respective indemnities, agreements, representations, warranties and other statements of the Company or its officers and of the several Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation, or statement as to the results thereof, made by or on behalf of any Underwriter, the Company or any of their respective representatives, officers or directors or any controlling person, and will survive delivery of and payment for the Offered Securities. If the purchase of the Offered Securities by the Underwriters is not consummated for any reason other than any of the events specified in clauses (iii), (iv), (vi), (vii) or (viii) of Section 7(c) or because of the termination of this Agreement pursuant to Section 9 hereof, the Company will reimburse the Underwriters for all out-of-pocket accountable expenses (including fees and disbursements of counsel) actually incurred by them in connection with the offering of the Offered Securities, and the respective obligations of the Company and the Underwriters pursuant to Section 8 hereof shall remain in effect. In addition, if any Offered Securities have been purchased hereunder, the representations and warranties in Section 2 and all obligations under Section 5 shall also remain in effect.

11. *Notices.* All communications hereunder will be in writing and, if sent to the Underwriters, will be mailed, delivered or telegraphed and confirmed to the Underwriters c/o Jefferies LLC, 520 Madison Avenue, New York, New York 10022, Attention: Global Head of Syndicate, c/o Goldman Sachs & Co. Bison, Esq., provided, however, that any notice to an Underwriter pursuant to Section 8 will be mailed, delivered or telegraphed and confirmed to such Underwriter.

12. *Successors.* This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers and directors and controlling persons referred to in Section 8, and no other person will have any right or obligation hereunder.

13. *Counterparts.* This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same Agreement. Counterparts and the lock-up letter may be delivered via facsimile, electronic mail (including any electronic signature covered by the U.S. federal E-SIGN Act of 2000, Uniform Electronic Transactions Act, the Electronic Signatures and Records Act or other applicable law, e.g., www.docuSign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

14. *Absence of Fiduciary Relationship.* The Company acknowledges and agrees that:

(a) *No Other Relationship.* The Underwriters have been retained solely to act as underwriter in connection with the sale of the Offered Securities and that no fiduciary, advisory or agency relationship between the Company and the Underwriters have been created in respect of any of the transactions contemplated by this Agreement or the Final Prospectus, irrespective of whether the Underwriters have advised or are advising the Company on other matters, and none of the activities of the Underwriters in connection with the transactions contemplated herein constitutes a recommendation, investment advice or solicitation of any action by the Underwriters with respect to any entity or natural person;

Dear Sir or Madam:

As an inducement to Jefferies LLC (“**Jefferies**”), Goldman Sachs & Co. LLC (“**Goldman Sachs**”) and Citigroup Global Markets Inc. (“**Citi**” and together with Jefferies and Goldman Sachs, the “**Underwriters**”) to execute the Underwriting Agreement (the “**Underwriting Agreement**”), pursuant to which an offering will be made of shares of common stock, \$0.0001 par value per share (the “**Common Stock**”) and/or pre-funded warrants to purchase shares of Common Stock (the “**Pre-Funded Warrants**” and together with the Common Stock, the “**Securities**”) of Intellia Therapeutics, Inc., a Delaware corporation, and any successor (by merger or otherwise) thereto, (the “**Company**”), the undersigned hereby agrees that during the period specified below in the third paragraph (the “**Lock-Up Period**”), the undersigned will not (i) offer, sell, contract to sell, pledge, grant any option to purchase, lend or otherwise dispose of, directly or indirectly, any Securities or any options or warrants to purchase any Securities, or any securities convertible into or exchangeable or exercisable for any Securities or enter into a transaction which would have the same effect, (ii) engage in any hedging or other transaction or arrangement (including, without limitation, any short sale or the purchase or sale of, or entry into, any put or call option, or combination thereof, forward, swap or any other derivative transaction or instrument, however described or defined) that is designed to or which reasonably could be expected to lead to or result in a sale, loan, pledge or other disposition (whether by the undersigned or someone other than the undersigned), or transfer, in whole or in part, any of the economic consequences of ownership of the Securities, whether any such aforementioned transaction is to be settled by delivery of the Securities or such other securities, in cash or otherwise, or (iii) publicly disclose the intention to engage in or cause any action or activity described in clause (i) above or transaction or arrangement described in clause (ii) above, without, in each case, the prior written consent of Jefferies and Goldman Sachs. In addition, the undersigned agrees that, without the prior written consent of Jefferies and Goldman Sachs, it will not, during the Lock-Up Period, make any demand for or exercise any right with respect to, the registration of any Securities or any security convertible into or exercisable or exchangeable for the Securities.

If the undersigned is not a natural person, the undersigned represents and warrants that no single natural person, entity or “group” (within the meaning of Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), other than a natural person, entity or “group” (as described above) that has executed a letter agreement in substantially the same form as this letter agreement (this “**Lock-Up Agreement**”), beneficially owns, directly or indirectly, 50% or more of the common equity interests, or 50% or more of the voting power, in the undersigned.

Exhibit A

The Lock-Up Period will commence on the date of this Lock-Up Agreement and include the date that is [60] days after the public offering date set forth on the final prospectus used to sell the Securities (the “**Public Offering Date**”) pursuant to the Underwriting Agreement, to which you are or expect to become parties.

Any Securities received upon exercise of options granted to the undersigned will also be subject to this Lock-Up Agreement.

Notwithstanding anything herein to the contrary, the restrictions contained in this Lock-Up Agreement shall not apply to any of the following:

- (i) transfers of Securities as a bona fide gift or gifts or for bona fide estate planning purposes; provided, however, that, with respect to this clause (i), it shall be a condition to such transfer that any required filing made under Section 16(a) of the Exchange Act must note that the transfer is made pursuant to the circumstances described in this clause (i) and no other public announcement shall be required or shall be made voluntarily in connection with such transfer;
- (ii) transfers of Securities or other securities of the Company to a trust or limited family partnership for the direct or indirect benefit of the undersigned or the immediate family of the undersigned (for purposes of this Lock-Up Agreement, “immediate family” shall mean any relationship by blood, current or former marriage or adoption, not more remote than first cousin);
- (iii) transfers of Securities or other securities of the Company by will, other testamentary document or intestate succession in a transaction not involving a disposition for value;
- (iv) transfers of Securities or other securities of the Company pursuant to a court order in respect of, or by operation of law as a result of, a divorce, in a transaction not involving a disposition for value;
- (v) the transfer of Securities to the Company in connection with the exercise, including by and to the extent necessary to cover any “net” exercise, of any options or warrants to acquire Securities or the conversion of any convertible security into Securities in accordance with its terms, provided that any Securities issued to the undersigned upon such exercise or conversion shall be subject to the restrictions set forth herein and no filing or public announcement by any party under the Exchange Act or otherwise shall be required or shall be voluntarily made in connection with such transfer, exercise, or conversion (other than a filing on a Form 5 made after the expiration of the Lock-Up Period or, in the case of a “net” exercise, a filing on a Form 4 that reports such “net” exercise under the transaction code “F”);
- (vi) transfers of Securities or other securities of the Company to a limited liability company or partnership wholly-owned and controlled by the undersigned, provided that the transfer shall not involve a disposition for value;
- (vii) if the undersigned is a trust, transfers of Securities or other securities of the Company to any beneficiary of the undersigned or the estate of any such beneficiary, provided that the transfer shall not involve a disposition for value;
- (viii) transfers or distributions of Securities to members, limited partners, stockholders or affiliates of, or any investment fund or other entity that controls or manages, the undersigned, provided that the transfer or distribution shall not involve a disposition for value;
- (ix) transfers or distributions in connection with a merger or sale of all or substantially all of the voting securities or assets of the Company, regardless of how such a transaction is structured (it being further understood that this agreement shall not restrict the undersigned from entering into any agreement or arrangement in connection therewith, including an agreement to vote in favor of, or tender Securities or other securities of the Company in, any such transaction or taking any other action in connection with any such transaction), provided that the restrictions set forth herein shall continue to apply should the completion of the transaction not occur;
- (x) Securities purchased by the undersigned in the open market after the date hereof, provided that no filing or public announcement by any party under the Exchange Act or otherwise shall be required or shall be voluntarily made in connection with such sale (other than a filing on a Form 5 made after the expiration of the Lock-Up Period);
- (xi) the entering into by the undersigned of a written trading plan pursuant to Rule 10b5-1 of the Exchange Act (a “**10b5-1 Plan**”) during the Lock-Up Period, provided, however, that no sales of Securities may be made during the Lock-Up Period under a 10b5-1 Plan entered into during the Lock-Up Period or
- (xii) the sale of Securities (including following the exercise of options to purchase Securities) pursuant to a 10b5-1 Plan under the Exchange Act adopted prior to the date hereof, provided, however, that, with respect to this clause (xii), it shall be a condition to such sale that any filing made under Section 16(a) of the Exchange Act must note that the sale is made pursuant to such 10b5-1 Plan; provided further that, with respect to clauses (i), (ii), (iii), (iv), (vi), (vii) and (viii), (a) each transferee or distributee agrees to be bound in writing by the terms of this Lock-Up Agreement prior to such transfer, and (b) no filing or public announcement by any party under the Exchange Act or otherwise shall be required (other than with respect to clause (i)) or shall be voluntarily made in connection with such transfer, exercise, conversion or distribution (other than a filing on a Form 5 made after the expiration of the Lock-Up Period).

In furtherance of the foregoing, the Company and its transfer agent and registrar are hereby authorized to decline to make any transfer of shares of Securities if such transfer would constitute a violation or breach of this Lock-Up Agreement.

Exhibit A

This Lock-Up Agreement shall be binding on the undersigned and the successors, heirs, personal representatives and assigns of the undersigned. This Lock-Up Agreement shall lapse and become null and void upon the earliest to occur, if any, of (i) the date on which the Underwriting Agreement (other than the provisions thereof which survive termination) shall terminate or be terminated prior to payment for and delivery of the Securities to be sold thereunder, or (ii) upon written notice from an authorized officer of the Company to the Underwriters, executed or delivered prior to the signing of the Underwriting Agreement, that the Company has determined not to proceed with the public offering of the Securities. **This agreement shall be governed by, and construed in accordance with, the laws of the State of New York.**
